Summer Camps

A.C.E. VOLLEYBALL CLUB

400 Longfellow St.

Elyria, OH 44035

“Volleyball is one of the greatest team games. We expect to improve each camper’s skill based on their existing level of competence. The training is in a relaxed environment that stresses the positive and helps build the confidence of beginner to advanced athletes.”

Akron-Canton Elite Volleyball Camps

Summer Camp Staff

Mike Sweitzer: Former head coach at the University of Akron and one time MAC Coach of the Year. Over his 17 year career at Akron, he had the opportunity to help develop 20 All-Conference and 2 All-American players. Sweitzer has directed the A.C.E. Junior Olympic program since 1997 and coached 9 teams to the USA Junior Olympic Nationals. His background as a player and a coach has given him extensive experience in the disciplines of the three major volleyball positions of outside hitter, middle hitter, and setting. Since the libero has become integral part of team success, he has helped develop 6 JO players that have moved on to Division I college programs. Coach Sweitzer has been the director of over 90 camps ranging from 8-18 years old and skill levels of beginner to elite college athletes.

Jenn Snyder: As an outside hitter from The University of Akron, Jenn earned MAC All-Freshman and MAC Second Team honors. Her senior year, she garnered MAC All-MAC tournament team honors by helping her team reach the finals of the tournament. She finished her career with 1,199 digs with 549 coming in her senior year (7th all-time at UA). After a 5 year stint as assistant coach at Akron, Snyder is now the co-director and a coach at A.C.E. She has coached at A.C.E. for 5 seasons and has helped 2 teams reach the USA National championships. She has worked with Sweitzer for over 9 years running summer camps/clinics.
