Fees are \$45.00 for Grades K-4. Prompt payment of fees is always appreciated. A fee envelope will be in your child's opening packet that your student will bring home on the first day. Fill it out and return to your student's teacher with a check or money order made payable to Green Valley.

Please remember to read, read, and read this summer. Green Valley encourages every student to participate in the district reading program through the Cuyahoga County Library. All students were registered for "Tails & Tales" during our Reading Fun Days and information about the program was sent home with your child last week. Memorizing math facts is also a valuable summer activity to prepare for the next grade level.

The staff joins me in extending best wishes for a happy, safe, and restful summer.

Sincerely,

Jacqueline Marconi
