## Reading and Math Calendar

Students are receiving a calendar for the month of February with reading and math activities to be completed at home. Please complete the activities as a family and return the calendar to school March 1st. If at least 20 activities are completed on the calendar the students will receive a prize. Have fun!

**Reading Fluency is the ability to read text accurately, at a reasonable rate, and with appropriate expression. Fluent reading aids in comprehension. A fluent reader reads automatically and does not have to decode words while reading. Click [here](#) for more information about fluency.**
