Good Luck to our 4th graders and any other student who will be leaving Dentzler at the end of the school year. We know you will be successful students at your new schools!

We would like to thank all those who participated in our Family Engagement events this school year and we look forward to seeing you for the events that will be held next year!

At the end of the school year, each student will be receiving a book purchased through Title I funds. The students will be able to choose a book of their choice. We hope as a family you will enjoy reading the book together:)

Research shows that most students lose some of their reading skills over the summer. Here are some tips to help keep skills sharp over the summer.

- Read aloud together with your child
- Set a good example...Read!
- Read the same book as your child and discuss it together
- Let your child choose what to read
- Listen to books on tape
- Go to the library regularly
- Write emails or letters to friends over the summer
- When traveling, read menus, road signs, billboards etc.
- Have your child keep a journal or scrapbook over the summer

Enjoy your summer!
