

Kindergarten Program Options

PCSD provides rigorous curriculum using ODE Kindergarten Standards and Model Curriculum including HMH 'Into Reading', Math Expressions, Science Fusion, Reading Mastery and Social Emotional Learning.

1

TRADITIONAL KINDERGARTEN

- May apply if child turns five on or before September 30th and must apply if child turns six by September 30th

2

KINDERGARTEN STEM

- STEM is a Project Based Learning Environment (work as a team to solve problems)
- Parents must be active participants
- Can apply after they are registered for Kindergarten
- Only offered at Pleasant Valley Elementary

3

KINDERGARTEN LAUNCH ACADEMY

- An additional year between preschool and Kindergarten to help prepare your child for life-long learning
- Available at Green Valley, Ridge-Brook and Thoreau Park

4

EARLY KINDERGARTEN TESTING

- May apply if child turns five between October 1st-December 30th
- Not every child is appropriate
- Factors considered during testing are: developmental readiness, social maturity, personal development & motor development
