

TASTE OF THE TOWNS UPDATE MAY 26, 2021

Dear Valued Vendors and Friends of the Parma City Schools Foundation:

We hope this letter finds you well. We cannot begin to imagine how stressful the past year and the pandemic has been for local businesses. Please know that we deeply appreciate your support and generosity over the years!

We are reaching out to you to provide an update regarding our *Taste of the Towns* plans for 2021. After a great deal of discussion with our Advisory Board, it was our consensus that it is just too early to hold a traditional “*Taste*” in September 2021, given the struggles of our loyal vendors and businesses during the pandemic combined with continued concerns about having large indoor gatherings. Our Board has decided to have an outdoor Foundation Clambake in September 2021, with the goal of returning to our traditional *Taste of the Towns* on September 28, 2022.

In the meantime, it is our goal to stay connected with you and have conversations about how the Parma City Schools Foundation can be of service to you. We are hoping you will take a few minutes to respond to the questions below and return your responses to the Foundation:

Business Name _____ **Phone** _____

How can we support you? What can we do this year to help you?

What suggestions do you have for us?

If we have the “Taste” on Wednesday, 09/28/2022 will you participate?

Please return your responses to the above questions in the enclosed envelope to the Foundation or scan and e-mail this document to our Foundation e-mail address – pcsdfoundation@parmacityschools.org. If you wish, you may also go online and submit your responses to the questions above through the Foundation’s *Taste of the Towns* Google Form. Please use this link to fill out the survey online:

We are looking forward to our continued partnership with you! Best wishes to you for a safe and healthy 2021!

Sincerely, The Trustees and Advisory Board of the Parma City Schools Foundation
