POSITIVE BEHAVIOR INTERVENTIONS AND SUPPORTS

P.B.I.S.

Is...

Shiloh's PBIS team consists of teachers, administrators, and counselors who come together to work on positive behavioral interventions and strategies. PBIS at Shiloh involves our expectations of how students should behave at school. The main focus is in three areas: classroom behavior, hallway behavior, and restroom behavior. We believe that by taking a positive approach, students will show more progress in the school environment.
