

**Dear Parents/Guardians,**

**Below this letter is the Thoreau Park Elementary Schoolwide Compact for the 2023-24 school year. To promote shared responsibility for high student performance, Title 1 schools must develop a school-parent compact that outlines how the parent(s), the school, and the student will combine efforts to help that student achieve high academic standards. Every student and parent/guardian will sign the appropriate section and return the compact to school. Please join us at one of the highlighted Title meetings below to learn more about “HOW” Title 1 supports the families at Thoreau Park Elementary. We look forward to meeting you at a future event.**

**The Title 1 Team**
