WHAT IS THE PTA?

The PTA is a group of family members, teachers, staff and others in our community whose focus is to make every child's potential a reality by engaging and empowering families and communities to advocate for all children.

WHAT DOES THE PTA DO?

The PTA helps to fundraise and facilitate different events and programs throughout the school year, such as BINGO night, Fall Fest and many more. We volunteer our time, resources and creativity to help make the events a success.

We also connect with teachers and staff throughout the year and try to help them in any way we can.

WHAT DOES BEING A MEMBER MEAN?

Being a PTA member means you get to have an active role in your child's school.

It means being able to put your talents and skills to good use.

It means being able to volunteer at all the fun school events.

Being a member doesn't mean you have to volunteer for every event OR attend every meeting.

It means staying up to date on the school news

The more members we have, the more fun events and programs we will be able to provide our school community.
