We are very excited that the Parma City Athletic Department has partnered with Final Forms, an on-line program, which will enable you and your student to complete & file MOST athletic forms electronically. The ONLY form that you are still required to actually print, complete, and file in the Athletic Department, is the actual OHSA Physical form (pages 3 and 4). A doctor must complete the physical form and by law we are required to have a signed copy on file. Once your student's physical is received by the athletic department we will input the expiration date into Final Forms and then you will receive automatic notifications when your student's forms need to be updated.

Click on the Parent Registration guide to get started in Final Forms. This link is also available on the Parma athletic web pages. **We are asking that ALL student-athletes (grades 7-12) use Final Forms. Even if your student's current physical paperwork does not expire until after the new school year begins, please register at <https://parma-oh.finalforms.com/> now and electronically complete all the forms!**

Thank you for your assistance in streamlining our paperwork process in the Athletic Dept.
