Dear Friends of the Parma City Schools:

The Parma City Schools Foundation is guided by its mission to enrich the educational experiences for ALL students of the Parma City School District. Because of generous support over the past decade, we have been able to enhance many programs within the Parma City School District. Some include anti-bullying programs, the STEM program, technology purchases throughout the district, scholarships for graduating seniors and various teacher and classroom grants.

Since the inception of the Parma City Schools Foundation, all our fundraising efforts have been dedicated to students. Due to the impact of COVID, we have been unable to hold our two largest fundraising events. This has strongly affected our ability to support the many vital programs as we have in the past. Nevertheless, we remain committed to our mission.

We are excited to announce our "Have a Heart Giving Campaign" that begins on Valentine's Day, February 14, 2022, and continues through March 15, 2022. We are asking you to support our campaign by making a financial donation. Any amount would be greatly appreciated. There are three easy ways to donate:

*Checks made payable to:
PCS Foundation
5311 Longwood Avenue, Parma, Ohio 44134

*Online:

Our goal for this giving campaign is \$10,000 to celebrate the Parma City Schools Foundation's 10th Anniversary. Thank you for your consideration and support. All contributions will benefit students directly. Your donation warms our hearts!
