

Dear Parents,

From December 4th - December 8th, The PV PTA will set up a Holiday Shop at our school. The Holiday Shop will contain over 100 different items ranging in cost from \$.25 to \$7.50. All of the students will be invited to shop and purchase gifts for their parents, grandparents, brothers, sisters, relatives and friends. Some of the gifts include jewelry, magnets, ornaments, mugs, tools, key chains and many other quality items at reasonable prices.

The Holiday Shop is fun for the students and also educational. The experience will teach your child the value of money, budgeting and comparative shopping in a safe, non-commercial environment. There will also be parent volunteers on hand to help the students shop.

Please use the Shopping List Envelopes provided to help your child plan their shopping list. Mark the appropriate line for each person on the list along with the amount of money budgeted for the individual. Return this envelope to the school with the money enclosed, as this will serve as a guide for the volunteers that will be helping the children, We encourage any gifting between students be done outside of the school day.

The Holiday shop is not a fundraiser, it's done to give students the opportunity to shop for their families at cost per item.
