

Pleasant Valley Elementary Arrival and Dismissal 23/24

Pleasant Valley will be implementing new traffic procedures for arrival and dismissal. We ask for your patience and understanding as we work through this new process. All families will be given a car rider number. This number **must be displayed** in the front window for student pickup. If not displayed, cars will be required to park and check the student out in the office.

Arrival Time- 8:55 -9:20 AM. All students entering the building past 9:25 AM are considered tardy. Students may not arrive prior to 8:55 AM as there is no supervision at this time. Students eating breakfast will go directly to the cafeteria when arriving at school.

Dismissal- Dismissal will begin at 3:40 PM. Cars may not be on campus prior to 3:10 PM. We are expecting close to 300 cars through the pickup line. Please consider entering the pickup line closer to 3:55 PM to alleviate traffic congestion.

Car Riders (Red Line) Arrival and Dismissal- ALL Cars will enter at the traffic light and turn right. Cars will continue through the front of the building until reaching the stop sign. Once reaching the stop sign, all cars will turn right and **form two lanes**. Cars will continue around the loop in two lanes of traffic. Once reaching the playground area, cars will merge into one lane where the above image shows the red line turning to blue. Cars will continue in one line for student pickup and exit at the front light. Students must load on the passenger side for student safety.

*** ALL car riders will be picked up following the above directions**

Bus- Bus traffic will enter at the front light, continue straight, and then turn left past the island. No cars may be in this area during arrival and dismissal times.

Walkers- All walkers will exit out the back of the building at 3:40 PM and follow the sidewalk to Reichart Road. No students will be dismissed through the front of the building.
