Home Access Center

Home Access Center is the District's official grade book for both parent and student use at the high school level. It allows parents to stay connected to their child's class schedules, grades, assignments, attendance, and teachers. As soon as teachers post items to their grade books, parents can access the information using the HAC portal through the District's website.

If you had access in a prior school year, login information remains the same. You will be able to log in using the same username and password. If you misplace your username/password, email us at HomeAccessCenter@parmacityschools.org request your information.

Many of our communication tools are tied to the Home Access Center, so it is crucial that your contact information be kept up-to-date in the registration section of HAC.

LOGIN INFORMATION REMAINS THE SAME IF YOU HAD ACCESS LAST YEAR. Please note that passwords are case sensitive!

- Fifth grade students will receive student login information in class.
- Login information will be mailed to guardians of kindergarten students who did not have previous access shortly after the start of school.
- Login information for new guardians and new secondary students is generated and mailed weekly. Secondary students and guardians receive separate mailers – each has their own login id and password.

eSchoolPLUS Family App

Download the new eSchoolPlus Family app that links to Home Access Center and allows you to obtain information right from your mobile phone. The eSchoolPlus Family App is available for iPhone®, iPad®, or iPod touch®, for Android™ devices, and for Kindle™. [Download the eSchoolPLUS Family App](#)

Please note, you will find more detailed information about your past courses taken, credits received and grades earned by clicking GRADES then the TRANSCRIPT tab. Please look over the courses you have already taken and earned credit for before picking your classes as to not duplicate any classes you already took.

- To enter your course requests for next year, click on the CLASSES button at the top of the page, then the REQUESTS tab

- Click on the EDIT button in line with the department where you would like to request a course then choose the course based on the description, course key number and credit (please reference the online registration guide for detailed information about courses). Click the REQUEST box in the first column then click save

- Once you have selected all of your requests, you will see the selected courses and credits on your requests screen (see example below). You can update your requests by clicking on the EDIT button.
