

Weekly Updates

December 12, 2022

Dear PSH Families,

The information shared this week has not changed from what I shared in last week's bulletin. Upon our return from break, you will begin to hear more about the consolidation plans. For our students and families, that means the registration process. Please mark the Important Information nights on your calendar and plan to attend in order to begin your plans for your schooling in the 2023-24 school year.

As we finish up our six days until break, I want to remind our students to make sure and check with teachers about grades and anything you need to do in order to make sure you are passing your classes. As a reminder, we will only have 4 days of school upon our return before the Mid-Term Exams and the end of the Second Grading Period. Do everything you can now to take care of your academic responsibilities before break begins.

Hope everyone has a great week!

Mr. Suttell
Principal - Parma Senior High School

PSH PTSA NEEDS YOUR HELP!!!

We would like to have a great last year for the students, staff and families but we can't do that without three things. Volunteers , Ideas and Funds! Parents, Staff and Students are welcome to join. We want to host events this year and make it the best year ever. Can we count on you for your support? Our meetings are the 4th Monday of the month in the Renaissance Room.

Membership is only \$6.00. Please use the following to join: [PSH PTSA Membership Link](#)

Student Attendance/Tardies

In each update I have included information indicating that students who attend school and their classes regularly have been shown to achieve at higher levels than students who do not have regular attendance and/or large amounts of missed time due to tardiness. Therefore we will place higher expectations on student class time. Please expect to see the administration help our teachers get our students into their classes more. This includes tardy sweeps and individual conversations with frequent students who are missing class time. Please have a conversation with your child about your expectations regarding the importance of being in class.

Student/Parent Handbooks

Here is the convenient link to the PCSD [Parent/Student Handbook](#).

NUTRITION SERVICES INFORMATION
