Teaching Professions

Several PCSD Teaching Professions students from all three PCSD schools returned from Columbus with two bronze medals and a bid for the national competition in Miami, Florida.

Congratulations to all

Cell Phones

Over recent weeks, I have heard from our teachers that student use of cell phones during classroom time is a growing problem. Each teacher has a classroom policy that they have discussed with their students. Administration will continue to support our teachers with progressive consequences for students who have been repeat offenders at this time of the year. Cell phones are a distraction to the learning that occurs in our classroom and we all need to help our students learn appropriate use when they have classroom responsibilities. I appreciate your support in sending this message to your student.

Course Registration for the 2023-2024 School Year:

By this point, all students should have their course registration for the 2023-24 school year complete. If you have any questions or concerns, please contact your grade level counselor directly.

PSH PTSA NEEDS YOUR HELP!!!

We would like to have a great last year for the students, staff and families but we can't do that without three things. Volunteers, Ideas and Funds! Parents, Staff and Students are welcome to join. We want to host events this year and make it the best year ever. Can we count on you for your support? Our meetings are the 4th Monday of the month in the Renaissance Room.

Membership is only \$6.00. Please use the following to join: [PSH PTSA Membership Link](#)

Student Attendance/Tardies

In each update I have included information indicating that students who attend school and their classes regularly have been shown to achieve at higher levels than students who do not have regular attendance and/or large amounts of missed time due to tardiness. Therefore we will place higher expectations on student class time. Please expect to see the administration help our teachers get our students into their classes more. This includes tardy sweeps and individual conversations with frequent students who are missing class time. Please have a conversation with your child about your expectations regarding the importance of being in class.

Student/Parent Handbooks

Here is the convenient link to the PCSD [Parent/Student Handbook](#).
