

# Weekly Updates

May 23, 2022

PSH Parents,

Our Class of 2022 graduated on Saturday. The Commencement ceremony celebrated a great achievement for those students. It also reminded me of the work students must do that leads up to that moment. Our 8-11th grade students enter the final week of the school year before Finals begin next week (June 1-3). It is important that our 8-11th grade students know that they still have work to do. Specifically, many of their classes are finishing assignments and or projects that are needed for their Fourth Quarter grades. In addition to the Fourth Quarter work, many classes this week will also be reviewing for their finals. Please remind your student of their remaining academic responsibilities in order for them to finish strong.

Have a great week!

Mr. Suttell

## Week of May 23 - News and Information

### Final Exams - June 1, 2, 3 - Schedule and Information

As one last reminder, please view the [Parma High Final Schedule and Information](#) form. It is important for parents to understand a few items regarding Finals. If students do not have an exam schedule during a certain period, they do not have to be in school, as long as they have the permission form signed and turned into the office. This includes the lunch period. If you do not want your child to leave school during these times, we will have supervision in the auditorium so they can study. If you have any questions, please call the office during school hours.

### **Final Exam Permission Forms**

If a student in grades 8-12 is going to arrive late, leave early, or leave during a non-tested period and come back, they must have a parent/guardian complete the [Final Exam Schedule and Permission Form](#) and return it to the Attendance Office by Tuesday, May 31, 2022.

### **Secondary Summer Learning Academy for grades 9-12**

Online registration for summer school for students in grades 9 - 12 is now open. Please see the [Secondary Summer Learning Academy](#) for specific information regarding summer sessions and a link for registration.

### **Credit Recovery**

The last day of credit recovery was last week, May 18th. **Any student who has not completed their credit recovery course will be allowed to finish in summer school.** All courses will be reset at the end of summer school and students will have to start again next school year.

### **Dismissal - Student Supervision after school**

As a reminder, our school day ends at 2:30pm. Students who are not in a supervised school activity need to be out of the building no later than 2:45pm. Students should not be using the building to hang out waiting for rides later in the evening if they are not supervised. If your student is not in an after school activity (sports, credit recovery, drama, music, or meeting with a teacher) please make sure that they are aware to exit the building by 2:45pm. We cannot supervise students past this time. Thank you for your attention to this matter.

### **PTSA Membership/Information:**

The Parma Senior High PTSA is an important partnership between parents, teachers, and students that supports the success of our school community. Below are links to ways that you can support our students even if you cannot attend meetings or volunteer time. You can easily support the PTSA with your membership or taking advantage of the fundraisers or events that they hold for students. Every little bit helps!
