

Weekly Updates

May 9, 2022

PSH Parents,

I wanted to let you know that our senior students entered into their “celebratory” part of the school year with a very nice Senior Prom. Students looked fantastic, ate well and had a great time. I wanted to thank everyone for making the evening special for our seniors.

It is amazing that we have entered into the last few weeks of the school year. For our seniors, please reference the Senior Events Calendar, which I have linked below. For Grades 8-11, final exams will occur June 1, 2 and 3. I will be providing information about those last few days in the next few weekly updates. In the meantime, please keep working hard and finish the year strong.

Have a great week!

Mr. Suttell

The work of the talented art students will be showcased the first three weeks of May in the boardroom. This year, the shows will be grouped by cluster, with open viewing for families and the community taking place the first three Wednesday's in May from 4-7. Students who have art displayed in the show will receive an invitation to the show through email. Posters to advertise the art shows will arrive in buildings this week. - Valley Forge: May 2nd-5th
- Normandy: May 9th-12th
- Parma: May 16th-19th

Credit Recovery - May 18

The last day of credit recovery will be on May 18th. Any student who has not completed by that point will be allowed to finish in summer school. All courses will be reset at the end of summer school and students will have to start again next school year.

Dismissal - Student Supervision after school

As a reminder, our school day ends at 2:30pm. Students who are not in a supervised school activity need to be out of the building no later than 2:45pm. Students should not be using the building to hang out waiting for rides later in the evening if they are not supervised. If your student is not in an after school activity (sports, credit recovery, drama, music, or meeting with a teacher) please make sure that they are aware to exit the building by 2:45pm. We cannot supervise students past this time. Thank you for your attention to this matter.

PTSA Membership/Information:

The Parma Senior High PTSA is an important partnership between parents, teachers, and students that supports the success of our school community. Below are links to ways that you can support our students even if you cannot attend meetings or volunteer time. You can easily support the PTSA with your membership or taking advantage of the fundraisers or events that they hold for students. Every little bit helps!
