

Dear Parents,

Thank you for your understanding today as we worked to determine the credibility of the information that we received this morning while most of us were en route to school. The safety of our students will continue to be our top priority.

Our schedule for Friday will allow for the missed exams today to be given during the make-up times that were already scheduled in the afternoon tomorrow. Please see the [Final Exam Schedule for Friday, June 3.](#)

If students are unable to make-up an exam, their Fourth Quarter grade will be used as their exam score. However, I strongly encourage all students to plan to take their exams during the afternoon tomorrow. If you missed an exam on Wednesday and were planning to take it in the afternoon Friday, you may still do so. Parma PVLA students who missed exams may follow the afternoon make-up or choose to use their Fourth Quarter grade. If you have any questions about an exam, please contact your teacher.

Again, I appreciate everyone's understanding as we worked through ensuring the safety of our building.

Mr. Suttell – PSH Principal
