School-Parent Compact
John Muir Elementary

Dear Parent/Guardian,

John Muir Elementary is a Title I school. To promote shared responsibility for student performance, Title I schools must develop a ***School-Parent Compact***. This compact outlines how the parents, the John Muir Elementary staff, and the students will combine efforts for improved student academic achievement, as well describes how the school and parents will build and develop a partnership that will help children achieve the state's high academic standards.

This compact was jointly developed through the following process:

The parents and staff of John Muir Elementary School partnered together to develop this School-Parent Compact for achievement. Staff members suggested home learning strategies and best practice policies that support student achievement. Parents provided input about the types of support they needed and expectations for their children's education. Parents are invited to attend, one of several, annual Title I meetings, held in the fall, to review the compact and make suggestions based on student needs and school improvement goals. Parents are also encouraged to provide feedback during monthly PTA meetings. Each spring, our annual Title I parent survey is utilized, as a tool, to collect parent feedback regarding the current Title I programs and policies.

To understand how working together can benefit your child, it is first important to understand the Parma City School District Goals and the John Muir Elementary School Vision for student academic achievement.
