Career assessment is a service provided as a part of your child's transition programming. A career assessment is generally completed during a student's freshman or sophomore year of high school. Career assessment is designed to assist students in exploring careers that may be of interest to them. It is also meant to aid students in making educated decisions about what high school classes to take to work toward achieving post-secondary goals (college, career and technical education, work, etc.). Please sign below.
