

AM and PM Drop-off/Pick-up

Drop off by car can **begin at 7:15am** (Earlier drop off will require families to sign-up for extended care in the morning). Be sure to pull up to the drop-off zone beyond the main doors to keep traffic moving.

Pick-up by car occurs at dismissal at 2:55pm. Students can be picked up in the east lot (which can become congested) or side streets to the north. Avoid areas along Grantwood labeled "no parking". A crossing guard is present daily to cross students to the other side of Grantwood. We are unable to accommodate students needing extended supervision after school.
