October 2021

## What Is Title One?

Schoolwide Title One means that our school receives federal funds to aid instruction for all students. Does that mean that your child will be seen by one of the Title One teachers? Not necessarily. In a schoolwide program all resources, services, and personnel are blended to make a cohesive program that enhances the educational opportunities for all students.

## Title I Annual Virtual Meeting & Compacts

We invite you to watch the Title I Annual Meeting for the current school year. Please click the link found in the PV Weekly Family newsletter email. Once you are finished watching, please complete the short survey included. If you have not already done so, please return your child's Title I compact to their classroom teacher. Should you need another copy we have more in the office or you can find the compact link online.

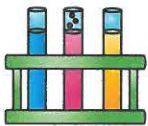

## Parents Right to Know

As a parent of a student at a Title 1 served school, you have the right to know the professional qualifications of the classroom teachers who instruct your child. Federal law allows you to ask for certain information about your child's classroom teachers and requires the information to be given to you in a timely manner. Specifically, you have the right to ask for the following information about each of your child's classroom teachers:

- I. Whether the teacher has met the State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- II. Whether the teacher is teaching under an emergency or other provisional status through which state qualification or licensing criteria have been waived;
- III. Whether the teacher is teaching in the field of discipline of the certification of the teacher; and
- IV. Whether your child is provided services by paraprofessionals and, if so, their qualifications.

You can view this information at the Ohio Department of Education's website (<https://education.ohio.gov>). Click on the "Teacher Tab". Then, under resources, click "Educator Profile". Now, type in the teacher's first and last name. Finally, click on "Search Educator" to view the teacher's area of certification.
