November 2021

## Title One News

The Title I School Compact outlines how parents, school staff, and students work together to improve student academic achievement.

It is important that we get the compacts signed and returned or completed online. If you have not signed and returned the compact yet, a digital version is available on our school website under the Title 1 heading. A second paper copy will be sent home this month as well. Please sign and return the form as soon as possible.

As a reminder, Pleasant Valley Elementary will be closed November 24-26th for Thanksgiving break. We hope you have a restful break!

## Looking Ahead

We will be having our first family engagement activity for grades K-2 in the month of December. Be on the lookout for information coming home about our two week unit based on the book The Biggest Snowman Ever. We can't wait to see how much fun everyone has with the book and snowman activities!

## Reading Tip of The Month

Take children's books and writing materials with you whenever you leave home. This gives your child an engaging way to entertain and occupy them while traveling or going to appointments. Always try to fit in time for reading!
