Title One Updates

Dear Parents/Guardians:

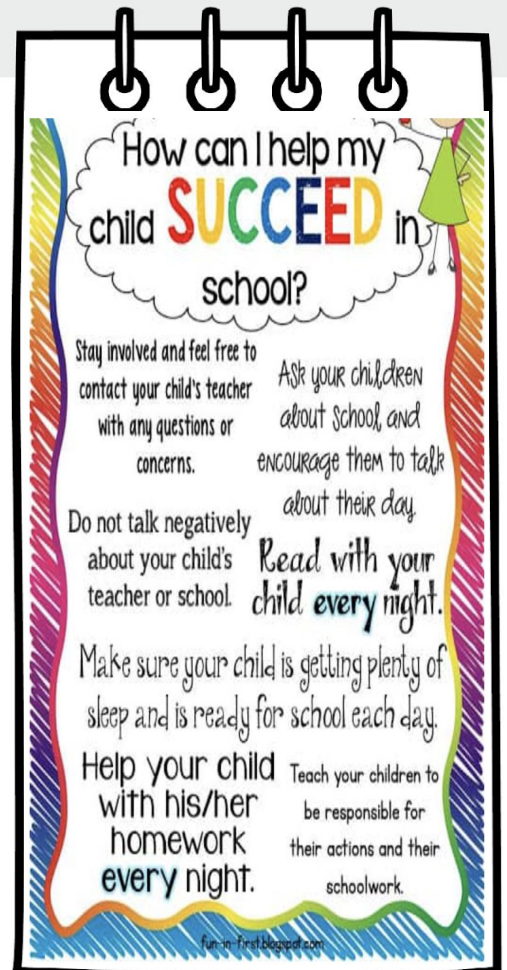

Students recently completed all mid-year benchmark assessments to determine their progress so far this year. We are busy working hard in our new groups to become better readers, writers and mathematicians.

Don't Forget! STUDENT SUCCESS CENTER

K-8 students in need of extra help with their homework or school subjects can get the support they need at Cuyahoga County Public Library's (CCPL) free Student Success Centers this school year. Students who attend the Centers receive homework assistance and academic enrichment from trained tutors in English language arts, math, reading, science and social studies. The Student Success Centers program is available at the Parma Powers branch Monday through Thursday, from 4:00 - 6:30 pm during the school year.
