

# **Ridge-Brook Title I FAQ**

## **How did my child qualify for Title I services?**

At Ridge-Brook, students qualify for Title I in a few ways.

- AIMSweb Reading or MAP Reading scores are below grade level
- Teacher recommendation
- Place into the reading program being used (Reading Mastery or skill-based)

## **What will my child learn in Title I?**

- Letter names and sounds
- Segmenting and blending words (sounding out and putting the sounds together to read words)
- Rhyming
- Fluent reading

## **Will my child be in Title I all year?**

The Title I teachers and classroom teachers will benchmark (assess) students three times a year (Fall, Winter, Spring). Once benchmark testing is complete, the teachers meet to discuss scores. Based on scores, we will place students who score below benchmark into our reading intervention groups. Your child will stay in Title I as long as they qualify.
