

# Normandy Invaders

August 20, 2021

Hello Invader Families,

We are excited to welcome our Normandy students back to school on Monday, August 23, 2021. Students should arrive to school by 7:40 AM to ensure they have ample time to locate their first period class. We look forward to partnering with you this year to make your student's educational experience positive and memorable.

## High School Bell Schedules

Please click [here](#) to access the first day of school bell schedule. Please click [here](#) to access our normal daily bell schedule. PVLA students must follow the same bell schedule as brick and mortar students.

## Open House

Open house for students in grades 9-12 will be Thursday, August 26, 2021 from 5:30 PM - 7:30 PM. Parents/guardians can come anytime during that window to visit your student's classes and teachers. Please note, our new student orientation that occurred last night served as the open house for our 8th grade teachers. However, if you are an 8th grade parent and would like to meet your student's elective teachers, you are welcome to attend this event.

## Underclassmen Picture Day

Picture day is **Friday, August 27, 2021** for students in grades 8-11. You can access the flyer [here](#). Seniors will have their yearbook headshot taken on Friday, October 15, 2021.

## Google Classroom Codes

Many of our teachers are still using and updating their Google Classrooms as the primary instructional hub and are finalizing their Google Classroom codes. Brick and mortar students will receive specific information from their teachers on Monday about their courses. Please click on the [Normandy Meet the Staff Document](#) to access this information, specifically if you are a PVLA student. Parma Senior will be sending their document out once it is completed.

## Emergency Contact Update

You should be receiving your snapcode via USPS mail which allows you to complete your student's emergency form for this year. Please be patient!

## Masks

At this time, masks are not mandatory but are highly recommended. Please consider encouraging your student(s) to wear a mask while they are at school.

Thank you,
