PBIS UPDATE

The Renwood staff celebrated our Renwood Bears with a Grinch themed mid-year PBIS celebration on December 17. Students participated in Grinch themed activities, enjoyed a Grinch themed snack, and completed a Grinch themed craft to take home. Thank you to all of the students for Being Respectful, Responsible, and Safe at Renwood every day! Our school's Resilient Learner/PBIS team met on December 13 to discuss what Tier 2 interventions we can provide for some of our students. The team meets once a month to review school-wide data and provide support to individual and small groups of students. The team is working to apply for Silver-level status for our school's Tier 1 and Tier 2 PBIS supports at the end of this school year. If you have any questions about our school's PBIS program, please contact our assistant principal Mr. Keating.
