BICYCLE PERMISSION SLIP

Dear Parents:

Some children wish to ride their bicycles to school. Permission is granted under the following conditions:

1. It is understood that no one in the school is in any way responsible for the safety of the bicycle.
2. The rider may provide a lock and chain for the bicycle. He/she may chain it to the bicycle rack in the school yard.
3. Students must exit at the assigned doors and walk to bike rack.

If you wish your child to have the privilege of parking his/her bicycle in the school yard, please sign and return the permission slip below to the school office. He/she will then be given permission to ride to and from school.

PERMISSION WILL BE REVOKED IF A CHILD ENDANGERS THE SAFETY OF OTHERS.

Sincerely,

Mrs. Renée Dzurnak
Principal
