

## Car Rider Drop off/ Pick up Procedure

Parents request 1 number per family. Please request with the youngest child. Families decide if they are picking up on the Deerfield or Whittington sides of the building.

### One Way Streets

8:30-9:30 and 3:00-4:00

Whittington is one way West to East

Deerfield is one way East to West

### Drop off

Parents pull up to the curb and an adult will help the child out of the car.

Student will walk to his/her line.

Parents continue on down the street.

### Pick up

Parents get in line (either Deerfield or Whittington)

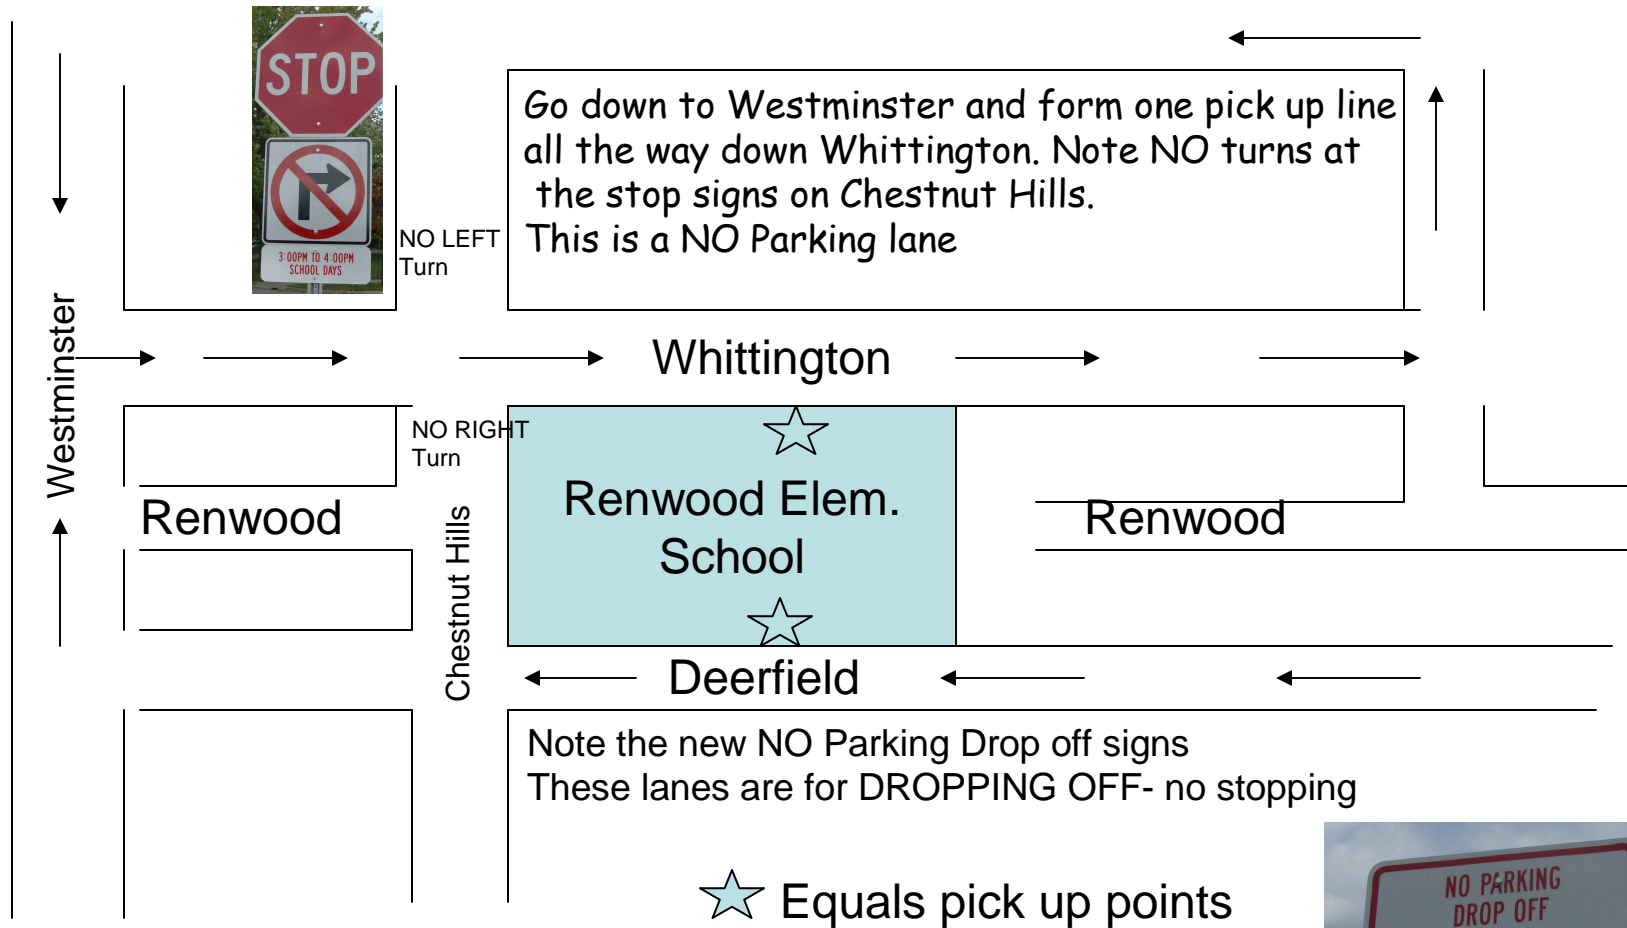

As you pull in line and enter the school property, please have your child's number displayed in passenger window.

Stay in line against the curb and your child will be helped into the car as you pull up.

If your child is not there when you pull up you will need to circle around and get back in line.

Older sibling walk down and ride with younger children.

Patience is key!

**Thank you for helping to keep our students safe!**
