Hello Patriots!

On March 19th the Parma City School District will be hosting a Mental Health Summit. Students will have an opportunity to be trained and gain information about how to be resilient and recognize when peers may be in need of mental health support. The Summit will be held at the Parma Library on Powers Blvd. Transportation and lunch will be provided. Interested students need to come into Student Services and pick up three items on the table near Mrs. Sisunik and turn the green permission form back into Student Services. We only have space for 30 students; so, it is important to turn your permission form in as soon as possible. More information is available on the table in Student Services.
