This is a message from Hope Squad, Hope Squad is a peer-to-peer suicide prevention program. Hope Squad members are nominated by their classmates as trustworthy peers and trained by advisors. The program reduces youth suicide through education, training, and peer intervention; and this is our message to you today, “People will hate you, rate you, and break you, but how you stand is what makes you. But also know you don’t have to stand up straight and tall all the time. We all have our bad days, no one, and I mean no one has a perfect life. Stop hiding the truth and speak up. There is no shame in wanting to live a happy life.” Also, remember next week is spirit week, so on Monday wear yellow for suicide prevention! Students, during lunch periods this week, please take time to write a positive message for our EMBRACE HOPE message board. You can write more than one. Help us share the message that Patriots are positive, tolerant and accepting of others! Thank you!

The wrestling mats will be open every Monday in April and to the end of May for OPEN MAT MONDAY'S. All existing, former and new wrestlers are welcome to attend.
