

## **ANNOUNCEMENTS** *January 26, 2021*

Hello VF Rockstars, this is an official invitation from Dr. Bach for you, yes you, to sign up for the one and only Introduction to Engineering course. If you're into Legos, robotics, 3d printing, awesomeness, and being part of the future, engineering is definitely for you. Feel free to stop by room 225 to see what it's all about. But believe me, you're going to want to be a part of it. After all, Iron Man was an engineer. Be like Iron Man and sign up for Intro to Engineering.

Autism Awareness Shirt Design Contest!! Students-put your creative talents to work and design a shirt for Valley Forge and Autism Awareness. Shirts will be sold to benefit the students with multiple disabilities celebration and dance. The student with the winning design receives a FREE SHIRT! Enter from January 26<sup>th</sup> to February 9<sup>th</sup>!

The three best designs will be chosen, and students and staff will vote on them using a Google Form.

Entry forms can be picked up in FRONT of Student Services, in the Media Center OR check your email for a Google Form!

**Valley Forge Patriots are  
responsible, respectful and ready to  
learn!**
