

ANNOUNCEMENTS *March 17, 2021*

Thursday, March 25th is picture day for all 8, 9, 10, and 11th grade students.

Seniors who have NOT had a senior picture taken yet, can also have their picture taken at this time. Students will come to the auditorium during their Math class to get their picture taken. If you do not have a Math class, you should report to the auditorium during a free period. We will not have a picture re-take day this year, so please make sure you get your picture taken on this date. Valley Forge staff, please be sure to have your picture taken at this time as well. Having all staff in the yearbook this year, would be great for our students!

Attention Juniors - If any Junior would like to take the SAT makeup day on March 24th, please see your counselor as soon as possible. This makeup day is for students who missed the March 3rd test day.
