"Attention students currently enrolled in any physical education course:

Any student who is caught vaping, fighting, or creating continuous behavior problems in the gym or locker room will lose their access to the locker room for the remainder of the 2nd marking period. If/when this happens, an email will be sent home, and the student will need to plan their restroom use accordingly throughout the rest of the day as they will not be allowed in the locker room and no passes will be written other than for access to water and the clinic.

As a reminder, all belongings are to be left on the bleachers under surveillance, bags and cell phones are not allowed in the locker room, and vaping is strictly prohibited anywhere on campus.

Students, please check your emails daily. Important information is being sent out often through email. This is an important skill to practice daily.
