

# Morning ANNOUNCEMENTS

February 6th, 2024

B & B's Cultural Club Presents:  
"A Little-Known Black History Fact"

*Brown v. Board of Education of Topeka* was a landmark 1954 Supreme Court case in which the justices ruled unanimously that racial segregation of children in public schools was unconstitutional. *Brown vs. Board of Education* was one of the cornerstones of the civil rights movement and helped establish the precedent that "separate-but-equal" education and other services were not, in fact, equal at all. Let's continue to make efforts to work towards providing equal opportunities to learn for all students.

The Boys Freshman basketball team hung on to beat visiting Rocky River last night 58 - 51. Justin Chong led the Patriots with 17 points. Guard Justin Harb added 16 points, while center Jadan Gill scored a triple double netting 12 points, grabbing 12 rebounds, and blocking ten shots. Great victory Freshman!
