Picture Retake Day

Picture retakes are scheduled for 5/11/21. PVLA families may bring their student to the school for retakes of their pictures anytime from 9:30AM-11:30PM. If you would like to order photographs from Picture Day, you're welcome to contact Ripcho's Customer Service Department at (216) 631-7247 extension 1.

You can order online through this link: [this link](#). The online ordering option is available only to students who will have their picture taken on Retake Day and are purchasing for the first time.

If you purchased a photo package on your child's Original Picture Day and would like to replace it with their Retake Portrait, please return the entire photo package of their Day 1 photos when your child comes for their retake picture on Retake Day.

AIR Testing

School districts are required to continue with state wide testing in the manner that we have in recent years. Both traditional and PVLA students in grades 3 and 4 are scheduled to take the statewide assessments on the days listed above and below.

To ensure testing, please bring PVLA students to the school on the dates listed below, by grade level, at 11:00AM and please pick them up at 1:00PM. There is no virtual testing option for statewide testing. "Traditional" students will have no change in arrival times; 3rd and 4th grade PVLA students are asked to be in the building from 11:00AM until 1:00PM on the days listed below for their specific grade level. All students who have either Ms. Skalla or Ms. Mabry are asked to be at John Muir for their respective dates, even if John Muir is not the home school for that student.
