Viking Singers

The choir performed this past week, as did the Shiloh Middle School choir, at Parma Senior High. Our Viking Singers performed well and it was wonderful to see the choir performing again!

Cookies with Santa

Thank you to the PTA for hosting a successful Cookies with Santa! We had a strong turnout and the students were excited!

Looking Ahead

Winter Benchmark, which will provide us with important data about student progress in Math and English Language Arts, will take place after we come back from Winter Break in January. Please continue to support your student's growth in reading and comprehension, which also translates to Math, by setting aside time for reading and comprehension at home and through the Winter Break.

Thursday, December 19th is the end of the second quarter; students return to school on Monday, January 6th.
